

ZIMMER+ROHDE

Product data sheet

'Chiswick' is a sumptuous silk-wool fabric in a classical damask design, inspired by the rich interiors of Chiswick House, London, where William Kent designed the gardens. Gentle curves are broken by a subtle distortion in the weave that blurs and softens the design, giving the impression of water droplets cascading from a fountain.

Hodsoll McKenzie

Chiswick

ARTICLENUMBER	21300992
COLLECTION	Hodsoll McKenzie - F24
NUMBER OF COLORS	5
CATEGORY	Fabrics
MOTIVE	Figurative
FABRIC WIDTH	138 cm
EFFECTIVE WIDTH	-
WEIGHT	286 g/m ²
MATERIAL	53% Cotton, 24% Silk, 23% Wool
MARTINDALE	-
CARE INSTRUCTIONS	    
ADDITIONAL INFORMATION	Lining recommended
PROPERTIES / USAGE	-
ACOUSTIC PROTECTION	-
LIGHT FASTNESS (EN ISO 105-B02)	5
DYEING METHOD	yarn dyed
PILLING (EN ISO 12945-2)	-
RAPPORTWIDTH	66 cm
RAPPORTHEIGHT	70 cm
MANUFACTURING METHOD	-
